IGP PAYS D'OC

**AMOR**

*IGP Pays d'Oc  
Organic wine since 1998*

**GEOGRAPHICAL LOCATION:**

Ideally situated between the vast plain of Minervois and the hillsides of Minerve, the vineyard is close to Cessero village.

**APPELLATION:**

IGP Pays d'oc

**GRAPE VARIETY :**

Blend of 90% Sauvignon and 10% Marsanne.  
Since 1998 the vineyard has been run in organic farming, this gives to the wine the whole expression of its wonderful terroir.

**VINIFICATION AND MATURATION:**

The grapes are picked during the night to preserve all their freshness. While arriving at the cellar the grapes are destemmed, directly pressed and macerated in stainless steel under a strict control of temperatures. The vinification takes about 2 weeks time.

**TASTING:**

A pale yellow robe with a good intensity.

The nose is particularly expressive with citrus notes and a good minerality.

A round attack in mouth is followed by a concentration of white fruity notes with a well balanced acidity.

**FOOD PAIRING:**

Served chilled AMOR will be perfect with seafoods, grilled fish and also spicy tajine and blue cheeses.
